INFORMATION DISCLOSURE STATEMENT

Pursuant to the duty of disclosure as set forth in 37 C.F.R. §1.56, §1.97, and §1.98, Applicants hereby disclose publications known to them which may be material to the patentability of this invention. In accordance with 37 CFR 1.98(d), copies of the publications listed on page 1 of the attached Form PTO-1449 (references B1-B7 and C1-C12) are not being submitted herewith, because they were submitted in parent application 09/972,708 (attorney docket number 3160-B) in accordance with 37 CFR 1.98(a)-(c), and the 09/972,708 application is relied on for an earlier effective filing date under 35 U.S.C. § 120.

Please note that references B1-B4 and C1-C6 were cited in the International Search Report for corresponding international application PCT/US01/31634.

Reference B2 (WO 00 75314 A1) is in the Japanese language and is submitted because it was cited in the International Search Report; the International Search Report noted that WO 00 75314 A1 discloses a "human haematopoietin receptor protein NR10.3". Reference A1 (US 2003/0125520 A1) is submitted herewith; this reference is an English-language application corresponding to International Application PCT/JP00/03556, published as WO 00 75314 A1.

Reference B6 (WO 01 23556 A1) is in the Japanese language and is submitted because it discloses a series of related "human haematopoietin receptor proteins" designated NR12.1, NR12.2, NR12.3, NR12.4, and NR12.5. Reference A2 (US 2003/0009018 A1) is submitted herewith; this reference is an English-language application corresponding to International Application PCT/JP00/06654, published as WO 01 23556 A1.

Kindly acknowledge receipt of this Statement and make the cited references of record in the subject application.

Since the submission of the documents listed on the Form PTO-1449 is made before the mailing of the first Office Action in connection with the above-captioned application, no fee under 37 C.F.R. 1.17(p) is believed to be required. However, should it be determined that a fee is necessary, Applicants authorize the Commissioner to charge Applicants' deposit account no. 09-0089 in an amount necessary to permit consideration of this Information Disclosure Statement.

Respectfully submitted,
